

Southborough Extended Day Program – Early Dismissal & Holiday Programs

- SEDP is open on all regularly scheduled early dismissal days. Students report to Extended Day at the new dismissal time and must bring a lunch from home as there is no cafeteria service on these days. There is no additional fee for early dismissal days.
- Only students regularly enrolled on that day of the week are eligible to attend. (Example: If early dismissal falls on a Thursday and your child does not regularly attend on Thursdays, we will not be able to provide care for your child on that day).
- Full-Day Programs are offered for an additional fee on many of the days school is closed (such as professional development days, February and April vacation, and certain holidays). Priority registration goes to students currently enrolled in SEDP program. If space remains after the registration deadline, registration will be opened to all other Southborough school students.
- Enrollment is limited and fees vary based on activities planned. Individual registration forms are sent home and posted on the website at least 2 weeks prior to the program.
